ABOUT DUDLEY INDUSTRIES

Dudley Industries, a leading supplier of design led, quality stainless steel washroom equipment.

We specialise in designing and manufacturing quality dispensers for the washroom industry. First established in 1942 we have built up decades of experience in traditional manufacturing processes whilst keeping up to date with new technologies that help deliver quality and efficiency.

Our in-house team of professional designers ensure our ranges are designed to complement the décor in the most prestigious washrooms whilst providing the durability to stand up to the busiest environments.

By selecting a Dudley Industries dispenser you can be confident in the style and quality all backed up by a customer services team who are on-hand to help in anyway they can.

DUDLEY INDUSTRIES

HELPING TO **SAFEGUARD** THOSE AT RISK OF **SELF-HARM**

ANTI LIGATURE RANGE

The Anti-ligature range of washroom dispensers has been designed in-conjunction with an industry leading expert. The range is designed to reduce the potential for attaching a ligature and help to safeguard the most vulnerable without compromising on style.

The innovative wall plate creates a recess that helps to reduce the risk of ligature attachment, enhancing safety in washroom areas. Additionally, the rounded edges and angles of the products mitigate the institutional look and work to minimise the potential for injuries.

Ideal for locations used by potentially vulnerable persons in mental health facilities, prisons, detention centres and care homes etc.

TOILET PAPER DISPENSERS

Jumbo Toilet Roll Dispenser

- Jumbo toilet roll dispenser suitable for different paper types.
- Easy for staff to refill.
- Recessed lock protects the contents.
- Manufactured from high grade stainless steel for robustness and durability.
- Finished with an attractive brushed steel surface.

SPACE SAVING HAND HYGIENE SOLUTION **TAILORED** TO YOUR WASHROOM

MODULO BEHIND THE MIRROR

With space so often at a premium in a washroom the Modulo system maximises the space available by incorporating all the facilities users need to wash and dry hands in a single position.

Saving space, optimising washroom flow and supporting the washroom decor.

CABINETS

1200mm Cabinet

- Houses the Modulo ‘Behind the Mirror’ dispenser system.
- Unit provides three full dispenser locations.
- Configure and position dispensers as required.
- Top hinged door supported by gas struts providing ease of opening.
- Door available in mirrored finish and innovative black smoked glass.
- Central key lock to secure dispensers and contents.
- Shelf incorporated to provide handy storage space for spare consumables.
- Easy to fix with mounting kit included.

Dimensions (mm): W: 1200 H: 960 D: 230

Powder coated stainless steel (Ref: 92406BK)

600mm Cabinet

- Houses the Modulo ‘Behind the Mirror’ dispenser system.
- Unit provides one and a half dispenser locations.
- Configure and position dispensers as required.
- Top hinged door supported by gas struts providing ease of opening.
- Door available in mirrored finish and innovative black smoked glass.
- Central key lock to secure dispensers and contents.
- Shelf incorporated to provide handy storage space for spare consumables.
- Easy to fix with mounting kit included.

Dimensions (mm): W: 600 H: 960 D: 230

Powder coated stainless steel (Ref: 92407BK)

BLANKING PLATE

Blanking Plate

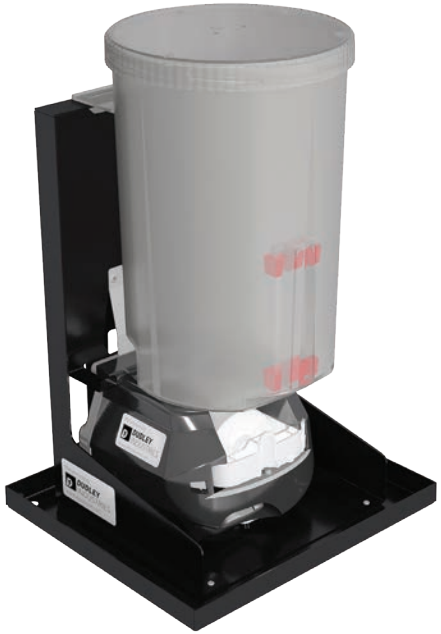

- Secure any unused dispenser positions with a blanking plate.
- Available in full and half plate sizes.

Dimensions (mm):
Half: W: 195 H: 15 D: 175
Full: W: 360 H: 15 D: 175

■ Matt Black Powder Coated Stainless Steel

Half Plate **(Ref: 92409BK)**
Full Plate **(Ref: 92408BK)**

SOAP DISPENSER

Soap Dispenser

- Reservoir is quick and easy to refill.
- Large 1L capacity for busy washrooms.
- Dispensing pump compatible with most liquid soap formulations.
- Lever presented to user under the cabinet with clear instructions for use.
- Lever protrudes 80mm under cabinet.
- Battery operated or mains powered options available.
- Utilises half a modular cabinet space.

Weight: 1.7kg
Dimensions (mm): W: 193 H: 293 D: 173
Material: 1.4509 Stainless Steel + mixed material components

■ Matt Black Powder Coated Stainless Steel

Battery operated **(Ref: 92400BK)**

DUDLEY INDUSTRIES

SUPPORTING **MULTI FAITH** FACILITIES

WUDU RANGE

With up to 25% of the world's population following the Islam religion, our hygienic, innovative and easy to install Wudu wash station facilitates ablutions away from home. It is ideal for places of prayer or multi-cultural spaces including offices, educational facilities and travel hubs.

WASH STATIONS

Single WUDU Wash Station

- Supports ritual ablutions before prayer.
- As WUDU concerns the washing of both hands and feet the unit is easily operated and provides stability when users are washing their feet.
- The opportunity for splashback of water minimised to prevent accidentally splashing clothing.
- Soap holder is centrally positioned so as to not cause interference.
- The water saving tap reduces water usage by up to 80% compared with a conventional tap.
- Hygiene is increased through the hinged foot grate providing easy access for cleaning.
- Incorporates auto shut-off water isolation valve.

Dimensions (mm): W: 500 H: 780 D: 450
