

Removable Bollard 750mm Above Ground 48mm - 204mm Diameter Stainless Steel

The Removable Bollard offers an effective, simple and robust way to protect premises and vehicles. Removable Bollards are particularly suitable for locations where occasional access is required, the simple tab and padlock system provides an easy to operate solution for locking the bollard in place. The Stainless Steel Removable Bollard is 750mm above ground and is available in a range of outside tube diameter sizes from 48mm through to 204mm. Padlock to secure is available at an extra cost.

The Removable Bollard 750 is ideal for protecting vehicle forecourts, commercial premises, car parks and domestic driveways and can be used in conjunction with fixed bollards as part of a security system for all types of premises.

Part Number	Description	Lift Weight (kg)	Weight (kg)
