# Benchtop Syringe Barrel Stand

For use with Luer Lock Syringe Barrels

Dispensing Tools

Data Sheet

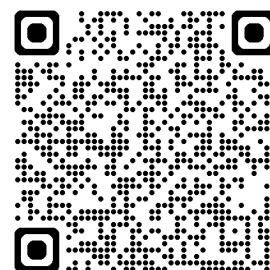

## Product Description

An adjustable bench top stand for holding any size luer lock syringe barrel allowing for hands free benchtop dispensing. The main base unit includes a vertical stainless steel upright rod. A metal rod clamp can be moved up and down the rod for height adjustment. The adjustable clamp attaches to a horizontal stainless steel rod with a syringe bracket. This rod can be angled to a convenient position.

The complete assembly works with all sizes of luer lock syringe barrel and is ideal for when parts can be introduced to the dispensing tip leaving operator with both hands free. A clean and efficient process for precision dispensing. This product is supplied with hex key to help fully assemble in under 5 minutes along with instructions.

System includes the base stand, vertical stainless steel rod, adjustable rod bracket, stainless steel horizontal rod, syringe barrel attachment. Made from high quality materials, easy to clean. Supplied boxed.

Used with all [luer lock syringe barrels](#).

## Specification

Part ID:	560021
Construction:	Stainless Steel/ Aluminium/ Nylon
Colour:	Blue Base/ Clamp, Silver Rods
Attachment:	Clamp Fix to Syringe Luer
Capacity:	Suits all size syringe barrels
Weight:	0.65kg
Warranty:	1 Year
Commodity Code:	90289090
Brand:	ADL

## Features

- Robust Construction
- High Quality Finish
- Easy to Clean
- Quick Assembly
- \* Allows for Hands Free Dispensing
- \* 1 Year Warranty
- \* Supplied With Instructions

Adhesive Dispensing Ltd provide a wide range of equipment options for dispensing almost all assembly fluids - from watery liquids, solvents, primers and activators through to thick pastes, sealants, silicones, gels and epoxies.

**HOURS OF BUSINESS**  
MONDAY TO FRIDAY 9AM TO 5.30PM

### Reasons to use our dispensing components

- Industrial grade** - certified safe for use to 100 psi. Will not break when in use under pneumatic or mechanical pressure.
- Certified Silicone-Free**. Our components will not contaminate fluids placed when in use including specialist adhesives.
- Burr-free**. All blunt tips are electro-polished and produced to a high precision finish.
- Widest range** - we stock millions of parts in many different styles and an extensive range of cartridges, nozzles, mixers.
- Fast lead times**. Most products are held in stock and available within days not weeks.
- Boxed** - most of our tips are supplied in sealed boxes for easy identification and protection against contamination.
- Batch codes** - all labelled with batch codes for traceability.
- Expert support**. We recommend our products to ensure our customers receive the right solution for their application.
