ERSA SELECTIVE SOLDERING & ASSOCIATED TECHNOLOGY 2025

x3 One-Day Blundell Tech Event: 8 | 9 | 10 | July 2025

Selective soldering continues to be the fastest growing technology investment in the UK electronics sector. **Blundell Production Equipment**, along with our partner **Kurtz Ersa** will be running a focused technology event covering the aspects of Selective Soldering.

During these three, one-day seminars we will cover pre-assembly of the PTH components with the VERSA-GUIDE, selective soldering; from machine choice (batch or inline), flux choice and nitrogen generation (essential for all selective machines). In addition to our colleagues from Ersa, we will have **Temple4 (Interflux)** and **Maziak** giving a presentation on their respective products.

We will also be running a hand-on session with the new **VERSAFLOW ONE** in-line entry level selective system and **VERSAGUIDE** PTH assembly station.

Venue:

Unit C-D, Quinn Close
Seven Stars Industrial Estate
Coventry, CV3 4LH

Registration:

e-mail to: sales@blundell.co.uk

Participation:

The seminar includes refreshments, coffee, snacks and lunch. Please note that this seminar is held free of charge. There are no registration fees involved.

in cooperation with:

INTERFLUX
ELECTRONICS

TEMPLE4

Atlas Copco

MAZIAK

Agenda

8 | 9 | 10 | July 2025

09:30 – 10:15	Arrival & Registration
10:15 – 10:30	Welcome and Introduction Blundell Production Equipment Ltd.
10:30 – 11:15	PTH assembly using VERSAGUIDE Ersa GmbH
11:15 – 11:30	Coffee <i>Get together. Networking. Exchange of Experience</i>
11:30 – 12:30	Market growth for Selective Soldering. Machine Options and Batch v Inline Ersa GmbH
12:30 – 13:00	Solder and Flux Choices for Selective Soldering Interflux Electronics N.V.
13:00 – 14:00	Lunch <i>Get together. Networking. Exchange of Experience</i>
14:00 – 14:30	N2 Generation Maziak Compressor Services Ltd.
14:00 – 15:30	Hands-On: Practical Demos with VERSAGUIDE and VERSAFLOW ONE Ersa GmbH
15:30 – 16:00	Q&A, Goodbye Blundell Production Equipment Ltd.

Upcoming x3 One-Day Blundell Tech Event

23 | 24 | 25 September 2025

Rework Soldering 2025

Grab your seat today!

Topics:

- Today's SMT Rework Challenges
- Rework Solder and Flux Choices
- Rework Inspection

Highlight:

- Practical demos and workshop in the afternoon!
- Bring along your boards and test state-of-the-art equipment by Ersa, Electron and Visus.
